

Appendix C

AGREED UPON EXPECTATIONS BETWEEN STUDENT AND FACULTY RESEARCH ADVISOR

1. Attend group lab meetings or schedule a face to face meeting with research advisor (weekly/biweekly etc)
2. Agree upon milestones for completion of research detailed in the proposal
3. Advisor will evaluate monthly the progress in meeting milestones
4. All resources detailed in the proposal need to be available to the student to conduct the research project
5. Authorship and acknowledgement on publications emanating from research conducted by the student need to be agreed upon prior to submittal of manuscript.

FOODSURE certificate will only be given once all requirements are met and expectations herein fulfilled
