FoodS.U.R.E. Terms and Expectations of Undergraduate Research

1. The student will attend regular lab meetings or meetings with advisor (biweekly, suggested).
2. The student will prepare a proposal for topic of research.
Milestones for completion of research will be detailed within this proposal.
3. The student and advisor will meet regularly (monthly, suggested) to evaluate progress in meeting the milestones addressed in the research proposal.
4. The student will apply for the food science award (\$1750). The student will receive \$1000 as a scholarship, and the faculty mentor's lab will be awarded the remaining \$750.
5. Resources detailed in the proposal will be available to the student to conduct the study.
6. Authorship and acknowledgement for possible publications resulting from the research work completed by the student will be discussed and agreed prior to submission of the manuscript(s).
