Please join us weekly for this seminar series. We will use this time to hear from graduate students who are in the final phase of their research as well as faculty and external stakeholders on a wide range of topics.

Each week we will meet in person but will have a Zoom option. All FST faculty, students, and staff will have access to the Zoom link through a calendar invitation.

Anyone with questions about the series or wanting the zoom link can reach out to

Dr. Emmanuel Hatzakis (Chatzakis.1@osu.edu) or

Kelly Elisar (elisar.1@osu.edu)

All FST faculty and grad students are expected to attend.
