Hours for graduation **120-122**

***The university requires 121 hours for graduation. If you select the Chem 2510 & 2540 option, an additional 1-2 credit hours of electives must be taken to fulfill this requirement.**

This is a sample curriculum and not all of the courses that meet the requirements for GENEDS are listed. Students will meet with their department advisor to tailor a course plan to meet their own interests and needs.
